ABSTRACT

The Efforts Of The Teacher In Shaping The Character Of Students Based On Soft Skills In Integral Elementary School Luqman Al-Hakim Sumenep

Keyword: *Effort Teacher, Character, Soft Skill*

This study aims to reveal how the teacher's efforts to form student character based on soft skills in Integral Elementary School Luqman Al-Hakim Sumenep.

This research uses qualitative research with a descriptive approach. Data sources, selected from several teachers an students in SD Integral Luqman Al-Hakim Sumenep in the form od documentation and interview results. Data collection techniques used were observation and interviews. Data analysis using data reduction, data presentation, and drawing conclusions.

The results showed that the majority of students in the school had soft skill-based characters. The efforts made by the teacher to form student character based on soft skills in the Integral Elementary School Luqman Al-Hakim Sumenep have several attempts, namely ; (1) the teacher provides a good and correct example of attitude, (2) the teacher accustoms students to doing good habits in their daily life, (3) teachers often provide advice to their students, and (4) the teacher conveys the school rules. The things that have been mentioned are the efforts made by teachers on normal days when they are at school. However, because now is the Covid-19 pandemic, what is done is that the teacher works with the guardians of students to pay attention to the character of their child.
