

ABSTRACT

Nor Maulidiyah. Q. 2023. Religious Values in the Novel Considered the Sinner by Nur Azizah

Keywords: Religiosity Values in Novels

Concepts such as belief in God or a higher power, morality, forgiveness, humility, and the search for the meaning of life. These values are often reflected through the characters, conflicts and situations in the story. In the abstract, the novel describes and elevates these religious values through narration, dialogue and events in the story

The second problem in this research is how is the role of religiosity in Nur Azizah's Novel Considered as a Sinner. a prominent role in many novels, influencing plots, characters, and overall themes. In literature, religiosity can be described as a source of moral support, internal conflict, or even as a tool to describe character changes. Some novels use religious elements to explore philosophical and existential questions, while others may depict the impact of religious bigotry. Through characters and narratives, writers often reflect on the complexity and variety of human spiritual experiences in their literary works.
