ACHMAD NIZAR, 2024 *"Evaluations of the 2023 Independent Community Service Program for the Realization of the Dharma of Community Service for STKIP PGRI Sumenep Students"*, Thesis, Pancasila and Citizenship Education Study Program, STKIP PGRI Sumenep. (Guided by Mr. Suluh Mardika Alam, M.Hum and Mr. Mulyadi, M.Pd)

Keywords: Implementation, Independent KKN and Community Service

This research aims to determine the Evaluations process of the 2023 Independent KKN Program carried out by the STKIP PGRI Sumenep campus through the aspects of effectiveness, efficiency, adequacy, equity, responsiveness and accuracy. To know this, it is also necessary to know the flow of implementation of the 2023 Independent KKN.

This research uses a qualitative approach with a type of evaluation research related to the implementation of the 2023 Independent KKN Program through understanding policy evaluation theory. Data collection procedures are carried out using interview, observation and documentation techniques which are then presented systematically in order to draw conclusions or verification.

The results of this research show that the implementation of Mandiri KKN in 2023 starts from the registration, briefing, implementation, monitoring and reporting stages of activities. The steps mentioned above are carried out in a timely manner. The 2023 Mandiri KKN is a form of implementation of the third higher education dharma, namely community service. The implementation of the 2023 Independent KKN Program carried out by the STKIP PGRI Sumenep campus is considered effective based on discussions of several aspects ranging from effectiveness, efficiency, adequacy, equity, responsiveness and accuracy. The successful implementation of the 2023 Independent KKN program implemented by the STKIP PGRI Sumenep campus cannot be separated from several supporting and inhibiting factors which were successfully overcome by the organizers or committee with appropriate solutions.
