

ABSTRACTION

Yunis Nur Wigawati, 12872051A000924, Deviations in the Use of Goods Vehicles Viewed from Law Number 22 Year 2009 in Saronggi Village, Suluh Mardika Alam, M. Hum. as Advisor I, Yetti Hidayatillah, M.Pd. as Advisor II.

Keywords: deviations, laws, public transportation

Traffic and public transport have a strategic role in supporting national development and integration as part of efforts to advance public welfare. As part of the national transportation system, road traffic and transportation must be developed with potential and its role to realize security, prosperity, traffic order and public transportation in order to support economic development and the development of science and technology, regional autonomy, and accountability in state administration. The prohibition regulation for pickup trucks has been regulated in Law Number 22 of 2009.

Based on the problems in this study can be formulated in the form of the objectives of this study are 1) To find out the analysis of open public transportation in terms of traffic law in Saronggi Village. 2) To determine the role of public transport for the environment, especially the Saronggi Village community.

The collected data is selected on the basis of reliability and validity. Data that is low in reliability and the validity of incomplete data is aborted or equipped with substance, and data that has been straightened in the selection is then arranged in tables, matrices, and others so that it is easily managed. The steps taken in analyzing the data during data collection, namely by checking and grouping. In order to obtain the required data based on data sources, the procedure performed must be appropriate. Because the quality of data can be determined the quality of data collection or measuring devices, therefore the procedures performed are interviews, documentation, observations (observations).

Law enforcement against Article 137 juncto Article 303 of Law Number 22 Year 2009 concerning Road Traffic and Transportation in the jurisdiction of Sumenep Resort Police is carried out by Kepolisian Resort Sumenep and Civil Servant Investigators of the Department of Transportation of Sumenep Regency by implementing law enforcement by giving warnings or messages posted around the roadside and routinely educating the public and entrepreneurs who use pickup trucks as mass transit. Or give a ticket to the offender. The use of open-air vehicles as public transportation is the culture and needs of the Saronggi Village community as a means of earning a living starting from the driver and passengers as traders. Another benefit is a social facility used to visit neighbors or relatives who are hospitalized in hospitals or health centers.
