

## ABSTRACT

*Analysis of teacher learning techniques in the 19th period of elementary school in Pabian Elementary School, Arjasa District*

*Keywords: Teacher learning techniques during covid 19*

*This study aims to describe and explain (1) How the teacher learning techniques during the Covid 19 period in elementary schools at SDN Pabian, Arjasa District (2) Supporting and inhibiting factors for teacher learning techniques during the Covid 19 period in elementary schools at SDN Pabian, Arjasa District*

*This study uses a qualitative approach that reveals findings by describing comprehensively the data obtained in the field. Through the understanding and interpretation of teacher learning techniques during the covid 19 period in elementary schools at SDN Pabian, Arjasa District. Data collection methods in this study used observation techniques, in-depth interviews, and documentation. In this case, the researcher categorizes the data analysis by (1) data reduction, (2) data presentation and (3) drawing conclusions.*

*The results showed that the teacher learning techniques during the covid 19 period in elementary schools at SDN Pabian, Arjasa District had been done well, teachers at SDN Pabian used the first two learning techniques, short distance learning with (PJJ) the second was direct learning. but there are supporting and inhibiting factors in teacher learning techniques during the covid 19 period at elementary schools at SDN Pabian, Arjasa District, one of which is a supporting factor, namely good cooperation from parents of students during the covid 19 period and the obstacle is in remote and difficult villages from the network so that it made it difficult for students and teachers to do online learning during the covid 19 period in elementary schools at SDN Pabian, Arjasa District. The second obstacle was the distance between each student's house and some even different hamlets and different villages so that it became an obstacle to every day the teacher comes to each student's house because wa ktu which makes it impossible to check every day at the homes of each student during covid 19 at the elementary school at SDN Pabian.*
