

ABSTRACT

STRATEGY OF TEACHER'S IN MAKING A DISCIPLINARY CHARACTERS OF STUDENT IV AT SDN BULLA'AN 1

Keywords: Strategy, disciplinary character

Discipline is orderly, obedient or controlling behaviour. This character need to be shaped of children, in order that they can controlling their behaviour and obey the regulation. Besides, the making a disciplinary Character is one of educational purposes. So that, they can studying well and this character will adhere.

The purpose of this study was to determine strategy of teacher's in making a disciplinary characters of student IV at SDN bulla'an 1.

This research method uses qualitative research with a descriptive approach. Data collection techniques were taken through interviews, observation and documentation, the sources in this student, school principals, and homeroom teachers of class IV.

The result of this research reveals that (1). the strategy of teachers in making a disciplinary character of student in IV grade boht in the calass or not. (2) supporting factors in making disciplinary character of student in IV grade, it is caused by head of school. The teacher, parents and the students must have an active role, have solidarity to others, solidarity between the teachers and the constitution. The hamper factors are the lack of family attention and the lack of self-consciousness about the important of disciplinary Character.
