

ABSTRACT

Joko Susanto: "The Realization of Religious Culture in SDN Banuaju Timur I. Study Program of Elementary School Teacher Education, Teacher Training College and Education Sciences Association of Teachers of the Republic of Indonesia

Keywords: Realization and Religious Culture.

The background of this research in this thesis is the phenomenon of globalization, especially in the realm of education, moral values, social, cultural politics and humanity, both positive and very large. Globalization has given rise to new lifestyles that clearly affect life, making it a challenge to create a world that is increasingly open and interdependent between countries. Ethical and moral issues of the nation's children cause schools to take responsibility so that teachers must be involved. Parents, families and schools must respond to globalization. So it needs realization efforts by applying religious culture to students so they can behave politely and well.

The research focuses in this thesis: (1) What is the form of realization of religious culture in SDN Banuaju Timur?

This field research uses a qualitative approach, based on its discussion including descriptive research with a multisite study design. Methods of data collection using participant observation, in-depth interviews, and documentation. Data analysis was carried out starting from data reduction, data presentation, drawing conclusions. To test the validity of the data, an extension of the research presence, triangulation and peer discussion was carried out.

The results of this study are: 1). The form of religious culture at SDN Banuaju Timur I is focused on: First, habituation activities such as reading Surah Yasin together, reading prayer together, praying practice, and cultural habituation of smiles and greetings. 2). Character forms as a result of the application of religious culture at SDN Banuaju Timur I include: discipline, polite, honesty, tolerance, self-control, and optimism, high tolerance among friends, optimism, tawadhu 'attitude and respect for people who are more old when in school, and qanaah accept any conditions and situations.
