

## ABSTRACT

*Miftahul Jannah, Analysis of the MIN Mission (Madrasah Ibtidaiyah Negeri) Vision Program Sumenep*

*Keywords: Vision and Mission, MIN*

*The background of this research is the vision and mission and the school program of MIN 2 Sumenep which refers to the principal's policy and the fostering of the students' religious character. This is indeed really well implemented. When viewed from religious programs that are diverse and different from other schools. Based on this background of thought, it is important to analyze the vision and mission program at MIN 2 Sumenep.*

*This research will be carried out in MIN 2 Sumenep, Sumenep City Subdistrict, Sumenep Regency. When this research was conducted online / online school year 2020/2021. Research subjects are principals, teachers and students.*

*This type of research is qualitative research. Data collection techniques used in this study were observation, interviews and documentation. Data analysis techniques used in this study are data collection, data reduction, data presentation and drawing conclusions / verification.*

*The findings that have been presented in the previous discussion related to program analysis to realize the vision and mission of MIN II Sumenep are about the success of implementing the school's vision and mission for students who are said to be successful. All school members play a role in the success of the school, all have their respective roles. As for the obstacles faced, there are no special obstacles, it's just that if you participate in activities / competitions outside of school you need permission from the Principal. If the principal does not give permission, students are automatically not allowed to participate in these activities. This is adjusted to the rules that apply to the school's vision and mission. The indicators are attitude and behavior that is obedient in implementing the teachings of the religion they adhere to, tolerant towards the implementation of the worship of other religions and is in harmony with followers of other religions. In general, the development of religious character, learning, and all school activities at MIN II Sumenep has been going well.*
