

ABSTRACT

This study aims to describe the dialectic of humanism that occurs in the novel *The Odyssey Of Hommer* and the concept of humanism in the novel *The Odyssey Of Hommer*.

This research is included in a qualitative descriptive research using a pragmatic approach, describing the dialectical process and the concept of humanism in the novel *The Odyssey Of Hommer*. The data collection method in this study used reading, marking, note-taking and documentation techniques. In analyzing the data, the researchers used qualitative analysis proposed by Miles and Hubberman; data collection, data reduction, data presentation and the last step is drawing conclusions.

The result of this research is that the dialectics that occur in *The Oyssey Of Hommer* Novel include the speech and actions of dehumanism, religious humanism and secular humanism, based on the dialectical approach method, a synthesis of the existing problems will be found, and the concept of humanism found in the novel *The Odyssey Of Hommer*. Hommer is a concept of religious humanism, which tends to have a theocentrism pattern of thinking.

Keywords: Dialectic, Humanism, Novel
